

INFORMATION TO UKRAINIAN REFUGEES WILLING TO WORK IN FRANCE

As a Ukrainian refugee, can I work in France?

European Union granted Ukrainian refugees a temporary protection. This status allows them to work immediately. Training courses will be offered, especially French language training.

You can therefore work if you want to. Public services will assist you in your job hunt.

I want to work in France. How can I get assistance in my job search?

Pôle emploi is in charge of assisting job seekers. In order to benefit from its support, go to the nearest Pôle emploi agency in order to meet your advisor (agencies' addresses and opening hours are available hereunder).

What kind of assistance can I get from Pôle emploi?

Pôle emploi will provide you with an intensive support:

- First, you will meet a Pôle emploi advisor. He will try to understand precisely your situation and to identify your professional and linguistic skills ;
- Your advisor will be in regular contact with you. Considering your skills, he will help you find a suitable job.

Can I benefit from a French training program?

Yes. Practical details will be given to you by your Pôle emploi advisor.

Can I benefit from other training programs?

Yes, adapted training programs will be offered to you by your Pôle emploi advisor.

Can I find a job without being helped by Pôle emploi?

Yes, you can find a job without getting Pôle emploi's support.

I found a job without Pôle emploi's assistance, what should I do?

In most cases, the employer must provide you with a written employment contract.
